This is to certify that Mr. Michal Tosza cooperates as freelance translator with the localization & translation department of MAGIT. Starting from Oct 2007 he was involved in numerous projects. Most of them related to IT industry - various types of documentation, help systems and marketing materials.

Mr. Tosza is reliable translator, delivering files as agreed with our Project Managers and with consistent level of quality. He is capable of completing translation tasks in various CAT/TM tools like Trados or Idiom.
